

# **TRANSFER SITE MEETING**

## **WEDNESDAY, NOVEMBER 18**

### **Attending**

Bob Paszak	David Hughes
Bob Simonson	Greg Martin
Dale Koski	Susan Jansen

Bob Simonson called the meeting to order 2:10

1. skidsteer will not be held at the transfer site – town crew will open the building before site opens, and the request made that sanding needs to be done, especially in front of the recycle bins and gates. Town crew will plow and sand the site before the site opens at 8:00. Snow blade needs to be picked up. If there are problems call:

Loren's cell: 715-638-0018

Dale's cell: 715-580-0305

Gary's cell: 715-558-3148

BJ's cell: 715-562-0966

Tanner's cell: 715-209-4133

2. Damaged gates: 2-6X6X12 foot posts should be located in the small garage by the town hall. Bob Paszak and Sue J will check to see if they're still there, and if yes, the site crew volunteered to replace the posts. If not there, town crew will be asked to order and replace.

3. Supervisor: town crew needs to be contacted if there needs to be issues addressed at the site.

4. Pricing: sheet passed out, charges for mattresses and tires clarified

5. Complaints: mostly involving changes in hours, communication.

6. Overhead doors: in the budget. Discussion involved the bidding progress, does it need to be posted. Sue will contact Judy about the need for an official posting.

7. Record breaking year, \$67,946 collected through October, approximately \$10,000 over all of last year. The monthly average was \$6,794.69

8. Other issues – recommending raising the price on the 55 gallon bags(contractor bags) to \$5.00 and setting up a display in the building with labeled bags so people can check out the sizes

Susan Jansen, secretary

Motion by Dale, second by Bob P: meeting adjourned at 2:45
