

MINUTES OF THE TOWN OF BARNES ROADS AND RIGHT OF WAY COMMITTEE

July 2, 2024

Members present were Dave Scheiss, Chris Lane, Jim Frint, Doug Westerberg, Jeff Jordheim
Meeting called to order at 6:30pm, quorum established by roll call

Motion to approve minutes of 6/11/2024 passed (Lane/Westerberg), no changes

There was no public comment

Moore Road update

There have been no bids. Conjectured by committee that this might be due to wording of the published notice. Engineer to be consulted; notice edited and reposted.

River Road bridge

Continuation of discussion from June 11 meeting in which it was recommended that the bridge be closed due to severe deterioration and resulting safety hazard. County will take responsibility for the closing, subject to receipt of appropriate signage. Cedar Corporation engineering will inspect the bridge and present a plan to replace.

Industrial Park road

Lengthy discussion focused on heavy equipment needed for this job due to the wooded and rolling terrain of the site. Specific concern is to open the work to local vendors and the job may be, therefore, put out for bidding.

Ellision Lake Road chip seal

As of date of meeting, there has been no bid. Will be reviewed by Scott Construction.

New truck

Discussion was not extensive but committee wishes to thoroughly examine all factors at upcoming July 30 scheduled regular RROW meeting. Tabled until that occasion.

Adjourn

Motion to adjourn (Frint/Scheiss) passed unanimously. Meeting adjourned 7:45pm.

Respectfully submitted Mark Holm, recorder, Dave Scheiss, chair

Next meeting Tuesday, July 30, 2024, 6:30pm at town garage
