

MINUTES OF THE TOWN OF BARNES ROADS AND RIGHT OF WAY COMMITTEE
8/13/2019

Members present were Don Dealing, Tom Emerson, Eric Polkoski, Mark Holm
Meeting called to order at 9:05AM, quorum established
Motion to approve minutes of 7/8/2019, Emerson/Dealing, passed without change

Makeup of RROW committee

Eric Polkowski is a voting member of the RROW committee.

PASER/WISLER seminar of 8/2/2019

General agreement that the seminar was excellent and informative. Discussion of subjects learned at the conference and how they apply practically to prioritization of our roads, maintenance, and repair.

2020 Budget needs

Current numbers being used are based on estimates without bids. Attention is given to consolidating jobs when possible to save money.

Current estimates:

Denver Road	\$150,000
East Robinson Lake Road	\$150,000
Ellison Lake/Moore Road intersection	\$180,000
North Barnes Road	\$ 35,000

Maintenance, over time, proves to be cheaper than rebuilding.

Motion, Emerson/Dealing, passed unanimously:

The RROW committee recommends the town board adopt budget figures, as quoted above in these minutes, for road maintenance and repairs in 2020.

Town Ordinance for paving roads

No ordinance is needed.

Slope on Pease Road

Delineators have been put up as recommended. No further work is to be on at this time. Eric feels the road is safe, and further work would not be time-efficient.

Motion to adjourn, Holm/Polkoski, passed unanimously.

Respectfully submitted, Mark Holm, recorder

Next meeting September 9, 2019, 9:00AM
