

MINUTES OF THE TOWN OF BARNES ROADS AND RIGHT OF WAY COMMITTEE
February 12, 2018

Present were Greg Martin, Eric Altman, Tom Emerson and Don Dealing. Mark Holm was absent.

Meeting called to order at 9:05 AM.

Motion by Greg/Tom to approve minutes from 1/29/18. Passed.

The committee made site visits, including the intersections of George Lake Road and Red Oak Drive; George Lake Road and Gronemus Drive and drove Island Lake Drive, Island Lake Road and Moen Road.

Following the site visits a discussion of what we had observed was held with these decisions made:

1. Contact Morgan and Parmley to look at the George Lake Road/Red Oak Drive intersection to make recommendation for improving the intersection. Funding for the work will come from delaying the paving of Moore Road to Tomahawk Park.
2. The large pine tree touching the road near 2175 Island Lake Road must be removed.
3. Several trees touching Moen Road must be removed.

Motion by Don/Greg to adjourn. Meeting adjourned at 11:10AM.

Next meeting: March 12.

Respectfully submitted by Don Dealing, Chair
