

## **MINUTES OF THE TOWN OF BARNES ROADS AND RIGHT OF WAY COMMITTEE**

April 9, 2018

Present were Greg Martin, Eric Altman, Mark Holm (Tom Emerson and Don Dealing absent)  
Meeting called to order at 9:10AM  
Motion to approve minutes of 3/12/2018, Martin/Altman, passed

Thanks to Eric for providing binders to the group for organizing documents. Thanks to Greg for devising template to help determine radius of sight-line for intersections per approved speed limits.

### **Review of 2/12/2018 site visits**

Brief review of site visits. Sites will be prioritized for future work; Morgan and Parmley will be contacted.

### **Hazardous tree and stump removal**

Review of hazardous trees on Moen Road, Island Drive, and Pease Road. Trees will be identified and work will be outsourced in summer months. Property owners will be contacted and possible meeting with them arranged.

### **Dana subdivision**

Sever drainage issues, primarily on Dana Road, will require a site visit by the committee after snow melt.

### **Cross culverts, Denver Road**

Four large culverts are heaving through the asphalt road surface of Denver Road west of Hwy 27 and will require frost treatment. This will entail removal of respective sections of road surface, replacement and relaying of culverts.

Motion to adjourn, Martin/Altman, passed; meeting adjourned 10:21AM

**NEXT MEETING MONDAY, MAY 7<sup>TH</sup>, 2018, 9:00AM**

Respectfully submitted, Mark Holm, recorder
