Public comment format

Committee will allow 10 minutes for public comment but will rigorously enforce the time limit.

Committee member

Jack Gribble will submit an application to Lisa for joining RROW committee.

Committee chair vacancy

Discussion tabled to Jan 7, 2025, RROW meeting.

Mulligan Creek Rd

Substantial work has been done by Barnes road crew to improve this road for logging operations. Loggers have extended praise.

Moore Road intersection

Unlikely to see work this year by contractor Olson of Brule unless weather permits.

George Lake Road

Chip seal delayed to due budget concerns relating to other road projects.
Probable for 2025.

Outlet Bay Road

Outlet Bay was thoroughly reviewed in October 1 RROW meeting. However, additional dialogue served to highlight the committee's need for a set of guidelines to identify priorities among many options we have for needed work on all our respective roads. PASER rating appears to be best candidate for this endeavor.

Adjourn

Motion to adjourn (Frint/Lane) passed unanimously. Meeting adjourned 7:43pm.

Respectfully submitted, Mark Holm, recorder

Next meeting Tuesday, January 7, 2025, 6:30pm at town garage
