Public Comments: None

Zoning, Land Use Applications:

1- Joe and Maxine Coder: Placement of a recreational vehicle on property year round . **Motion (Rupnow/ Marten)to approve.** Discussion followed. The request does not have much information. Nothing is listed as to how long they want to keep it there. **Motion denied.** Reason for denial: Need more info as to the size of the RV, the length of time it is being requested, if there is a privy.

2- Troy Guider: Residence (cabin) in F1 zoning district on Cranberry Lake Road. **Motion (Rupnow/ Ratzel) to approve.** Call for discussion. This meets county zoning requirements and fits in with the Land Use Plan. **Motion Carried.**

Reports:

Gene attended a meeting in Ashland recently. The officials there are looking for support from the Towns to obtain a grant for preparation of Land Use Plans. 4 towns out of 25 in Bayfield County have a plan in place. They are asking for Towns to sign a resolution in support of Comprehensive Land Use Plans and for public participation. Northwest Regional Planning would write the plans and there would be 2 types; brochure type or a complete plan. This would not affect Barnes as our Plan is completed.

-

Motion (Rupnow/ Marten) to adjourn. Motion carried. Meeting adjourned at 4:40pm.

Respectfully submitted,

Diane Rupnow
Secretary- Town of Barnes Planning Commission.
